The Watergate Street Gallery opened in 1992. Our philosophy from the start was to bring new, fresh, different art to as many people as possible at a price to suit your pocket.

Original paintings, etchings, screenprints, signed limited editions and the odd ceramic and bronze. Whatever your taste, you will find it here!

1. PINO

'PINO' was influenced by Pre-Raphaelites and Macchiaioli during his stay in Milan. He now lives and paints in America. We have the largest choice of his signed limited editions on canvas in the UK.

2. ESTIENNE SHEPPARD

Welcome to the wonderful, happy, warm, passionate world of Estienne Sheppard. We have a choice of original paintings and signed limited editions.

3. TODD WHITE

Hollywood's Todd White is establishing himself as one of the 'greats' on the International art scene. In great demand.

4. CHRISTINE COMYN

Christine has established herself as one of Europe's best known and most sought after figurative painters. We always have a selection of her work, all beautifully framed and sensibly priced.

TRIPTYCHS AND BOX CANVASES

Triptychs and box canvases are all the rage at the moment. Big splashes of colour to bring any room to life and at very sensible prices. Choose from many shapes, sizes and artists.

5. PICARD

His paintings bring the warmth and passion of Tuscany to your living room. A choice of canvases and triptychs.

6. JOHN HORSEWELL

John's beach scenes have brought peace and solitude to homes throughout the UK and are such good value for original box canvases.

7. DENNIS WOODS

Born in Bradford, Dennis has been painting for over 25 years. His original triptychs and large box canvases aim to stimulate your imagination.

FRAMING SERVICE

Due to demand, we now offer a bespoke framing service with wood staining a speciality. Fast service at the right price!

THE WIDEST SELECTION

The Gallery is rather like 'The Tardis', looks very small on the outside but is absolutely huge on the inside now we have two shops joined together – you will be amazed at the choice you will find.

8. SATURDAY EVENING POST

We bought four very large oil paintings on board of front covers of the acclaimed New York Saturday Evening Post. Wonderful paintings for lovers of the unusual with large walls to fill.

9. DON MCKINLEY

We were fortunate to meet Don in his home many years ago and purchased from him several very large original paintings which we gather were inspired by 'Stringfellows'. Very collectable.

10. ELLEN GRAUBART

Ellen is an old friend to the gallery. We have many of her unique etchings on display. She is inspired by nature in her London garden.

11. DONALD HAMILTON FRASER

We are privileged to have a number of his signed limited editions. Very collectable and much sought after.
